Dick is planning to leave with Kelly on 16 May, which should get him there the morning of the 17th. I am not certain at present exactly when he is planning to go to the Base, and he, himself, may not be sure until his arrival. He is planning to stay at the [redacted] Hotel and may be contacted either there or through [redacted] secretary, [redacted] with whom he will be in contact.

Should you wish to go to the Base prior to Dick's arrival, you may get in touch with them by telephoning [redacted]

Regarding his office, you should ask for the number of the Administrative Officer of the [redacted]. As the unit is recently reconstituted, we do not yet have this number but might before your departure Thursday, if you would care to call me.

I draw your attention to the classification of this letter.

I hope you will have a good trip over and will probably see you, as the chances are in favor of my coming over with Dick.

Sincerely yours,

TOWY
